Part 1: Notices

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor(s).

A. Attorney's Fees. Attorney's Fees noted in Paragraph 4.3 shall be approved on the confirmation date unless previously objected to. Said allowed fees shall be paid by the Trustee prior to the commencement of payments required to be made by the Trustee under Paragraphs 3.1, 3.4, 4.4, 5.1, 5.2, 5.3, and 6.1 herein, except that attorney's fees shall be paid prorata with any distribution to domestic support order claimants under paragraph 4.5. plan is confirmed.

B. Deficiency Claims for Surrendered Property. Any unsecured proof of claim for a deficiency which results from the surrender and liquidation of the collateral noted in paragraph 3.5 of this plan must be filed by the earlier of the following dates or such claim will be forever barred: (1) within 180 days of the date of the first confirmation order confirming a plan which provides for the surrender of said collateral, or (2) within the time period set for the filing of an unsecured deficiency claim as established by any order granting relief from the automatic stay with respect to said collateral. Said unsecured proof of claim for a deficiency must include appropriate documentation establishing that the collateral surrendered has been liquidated, and the proceeds applied, in accordance with applicable state law.

C. Treatment of Claims. All creditors must timely file a proof of claim to receive payment from the Trustee. If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the plan, the creditor may be treated as unsecured for purposes of distribution under the plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge. If a claim is listed in the plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the plan. The Trustee may adjust the monthly disbursement as needed to pay an allowed secured claim in full.

D. Student Loans provided for under Paragraph 5. Attn: Fed Loan Servicing, ECMC, Navient, Department of Education and any other parties holding Government guaranteed student loans, servicers, and guarantors (Collectively referred to hereafter as "Ed"): The Debtor is not seeking nor does this Plan provide for any discharge, in whole or in part of her student loan obligations. The Debtor shall be allowed to seek enrollment, or to maintain any pre-petition enrollment, in any applicable income-driven repayment ("IDR") plan with the U.S. Department of Education William D. Ford Federal Direct Loan Program, including but not limited to the Public Service Loan Forgiveness program, without disqualification due to his/her bankruptcy, if otherwise eligible under Federal law. Any direct payments made from the Debtor to Ed since the filing of her petition shall be applied to any IDR plan in which the Debtor was enrolled prepetition, including but not limited to the Public Service Loan Forgiveness program, or pursuant to applicable federal regulations. Ed shall not be required to allow enrollment in any IDR unless the Debtor otherwise qualifies for such plan. During the pendency of any application by the Debtor to consolidate her student loans, to enroll in an IDR, direct payment of her student loans under an IDR, or during the pendency of any default in payment of the student loans under an IDR, it shall not be a violation of the stay or other State or Federal Laws for Ed to send the Debtor normal monthly statements regarding payments due and other communications including, without limitation, notices of late payments or delinquency. These communications may expressly include telephone calls and e-mails.

F. Secured Claims in Part 3.3 will be paid in full and together with interest at the stated rate. Said creditors shall retain the lien securing its claim until the earlier of (i) the payment of the underlying debt determined under non-bankruptcy law or (ii) discharge under 11 U.S.C. § 1328 or (iii) such lien is otherwise avoided by separate Court Order entered in this case or associated adversary proceeding. If this case is dismissed or converted without completion of the plan, said creditors shall retain its lien to the extent recognized by applicable non-bankruptcy law.
